

JTable

```
graph BT; LogJTable[LogJTable] --> JTable[JTable];
```

The diagram illustrates a class inheritance relationship. A white box labeled 'JTable' is at the top. A blue arrow points upwards from a gray box below to the 'JTable' box. The gray box contains the text 'it.emarolab.cagg.debugging.base Components.LoggingTable.LogJTable'.

it.emarolab.cagg.debugging.base  
Components.LoggingTable.LogJTable
